Status Owner Quality Advisor Ian Murdoch

Please note that the grade is subject to confirmation in writing

Please note that WTB comments are intended to be constructive. Acting upon the comments will help raise standards but will not necessarily lead to a higher star grade (or similar)

Tywyn continues to offer high standard of holiday accommodation, with the spread of scores indicating a 5 Star Self Catering Grade following this years assessment. It was pleasing to see that on going improvements are continued to be made. As discussed some of the weaker aspects would benefit being upgraded to attain a better spread of scores. The kitchen work tops would soon benefit being replaced. The flooring aspect in the kitchen would improve if the Vinyl flooring was replaced with quality tiling. The carpeting in the lounge & bedroom areas would also benefit being replaced. Closing in the gap between the kitchen & the lounge would give greater wall space for the positioning of comfortable seating etc. The lounge furniture could be of a higher quality. The mirror in the smaller ensuite would be better positioned under the shaver light, in the other ensuite spot lights would give a better spread of light. We wish you continued success for the future.

Disability Discrimination Act (Part III) October 2004

If you haven't already done so, WTB recommend the preparation of an access statement for potential visitors. This should accurately describe the accessibility of the establishment and can be drafted and e-mailed to: [business.support@tourism.wales.gov.uk](mailto:business.support@tourism.wales.gov.uk) where the statement can be verified by Colin Antwis, the Disability Advisor for WTB. A draft statement will be posted out to you with a factsheet. If advice is required on any aspect of accessibility including help with an access statement contact WTB's Business Support helpline on 029 2047 5303.
